

THE PENNSYLVANIA STATE UNIVERSITY
Department of Chemical Engineering
Option Selection Form

Name:

PSU ID #:

PSU Email:

Please select one:

- General Option (GEN)
- Option in Energy and Fuels Engineering (E&FE)
- Option in Polymer Engineering (PLMRE)
- Bioprocess and Biomolecular Engineering Option (BPBME)
- Research Intensive Research (RSCHI)

I understand that only one option can be selected. I **MUST** follow the program outlined in the Handbook and Guide for Undergraduate students and cannot combine it with any other program/option requirements. *Requirements among options cannot be mixed.*

Signature/Date: _____ / _____

Please note:

1. To select an option you must be a chemical engineering major. Option Selection Forms will not be accepted from students who are not in the major yet.
2. If you wish to change your option at a later time, you must submit a new Option Selection Form. You will have to satisfy **all** requirements of the option you pick.
3. Submit the Option Selection Form to:

Dr. Philip Savage
Department Head, Chemical Engineering Department
160 Fenske Laboratory
University Park, PA 16802
