NUC E 494H PROJECT REGISTRATION FORM

Student Instructions: A student may not register for NUC E 494H unless he/she has obtained prior permission from a member of the NUC E faculty who will serve as the student’s project supervisor. After obtaining this permission, the student will fill out the statements below and obtain their advisor’s signature as well as the signature of the faculty member supervising their research. The approved form must be turned in at the Undergraduate Programs Office in Room 139/140 Reber Building. After doing this, the student may register for the appropriate section of NUC E 494H.

NUC E 494H (6 cr.) can be used in place of a NUC E Technical Elective (3 cr.) and a General Technical Elective (3 cr.).

Faculty Instructions: NUC E 494H can only be supervised by MNE faculty with at least the rank of Assistant Professor. Faculty supervisors should carefully review the qualifications of each student to make sure he/she meets the current MNE requirements for taking NUC E 494H. Faculty unsure of the requirements may check with the Professor in Charge of the Undergraduate Programs in Mechanical and Nuclear Engineering, in Room 140B Reber Building.
