List prior part-time jobs held at PSU:

A course is eligible for a grader only if the enrollment is at least 20 students at the beginning
of the semester (~ first or second week).

This form is only part of the application process. To complete the application process, you must also apply through the University's Employee Job Management System (EJMS) at psu.jobs.

- * If you are applying for a grader job, apply to job #84564.
- * If you are applying for a lab assistant (Educational Program Support) job, apply to job #84563.
- * If you are applying for a stockroom attendant position, apply to job #83789.
- * If you are applying for the work study position, apply to job #79297

I understand that this application is not complete until I also submit an application through the EJMS website.
