The ESM Early Career Recognition Award recognizes alumni who have distinguished themselves at work, in academia, and/or in their community. Please use the form below to nominate someone that you believe has distinguished themselves in one or more of the areas listed below.

Nominee:

Name: ___________________________

Home Address: ________________________________________________________________
________________________________________________________________________

Phone: __________________________

E-mail: __________________________

Education: _________________________________________________________________
________________________________________________________________________

Employer: __________________________

Title: ___________________________

Nominator:

Name: ___________________________

Phone: __________________________

E-mail: __________________________

Relationship to Nominee: ____________________________________________________

In addition to the above, please include a statement that addresses the following to the degree possible. Note that the three areas of achievement are judged equally when selecting a candidate to receive the ECR award.

1. The nominee's academic achievements including degrees, awards and recognition, and significant contributions;

2. The nominee's career responsibilities and achievements, including position advancements, awards and recognition, and significant contributions;

3. The nominee's community involvement, including leadership responsibilities, how this individual is a positive influence on others, and is a continued role model for success.

Candidates are encouraged to submit letters of support from colleagues, supervisors, or other appropriate references. No more than two letters of support may be submitted.

Inclusion of a Curriculum Vitae or résumé is optional.

All materials must be submitted to Lisa Spicer (lms8@psu.edu) no later than January 31, 2019.
